**Ask us about our full range of solutions, including**

New speciality elastane for deeper, darker colours in blends with natural fibres.

A range of GRS-certified recycled elastane, nylon and polyester.

Please join us online to preview our new creora® Color+ fibre and full range of regen 100% recycled elastane, nylon and polyester. We hope you'll tune in to an Innovation Encounters Meet Up with Dominique Demoinet on Thursday, September 17 at 11:00-11:30(Europe/Paris) to view a conversation between our European Marketing Manager, Julia Nam, and EMEA Marketing Director, Simon Whitmarsh-Knight on overcoming COVID-19, moving to digital, and the importance of consistent innovation. We look forward to 'seeing you soon!'
